# Women's Super League Season 2012 Trials

**All thirty-five member KDSA clubs are represented by the Northern Tigers in the FNSW Women's State League competitions.**

**The Northern Tigers are THE representative club of the Association.**

**The Tigers give our local district players the opportunity to step up from Club football to the next level of competition - representative football.**

**The Club will provide the environment in which players can develop their football skills. We have the expertise to nurture and develop talent within the district.**

**The Club will continue to lead the way by providing:**

- Opportunities to play representative Women's football
- Strong backing from the Association and its 16,000 registered players
  - FNSW accredited programs including the SAP and Mongo program
  - Highly accredited, dedicated and experienced coaches
- Development programs for KDSA players including the KDSA Tiger squads

**The Northern Tigers Women were equal second in the Club Championship on points in 2011 and we aim to gain promotion to the FNSW Premier League next year, the highest level of representative football.**

**Be part of this movement – the Northern Tigers are *the Pride of the League***
